

# Triangular Trade and Columbian Exchange

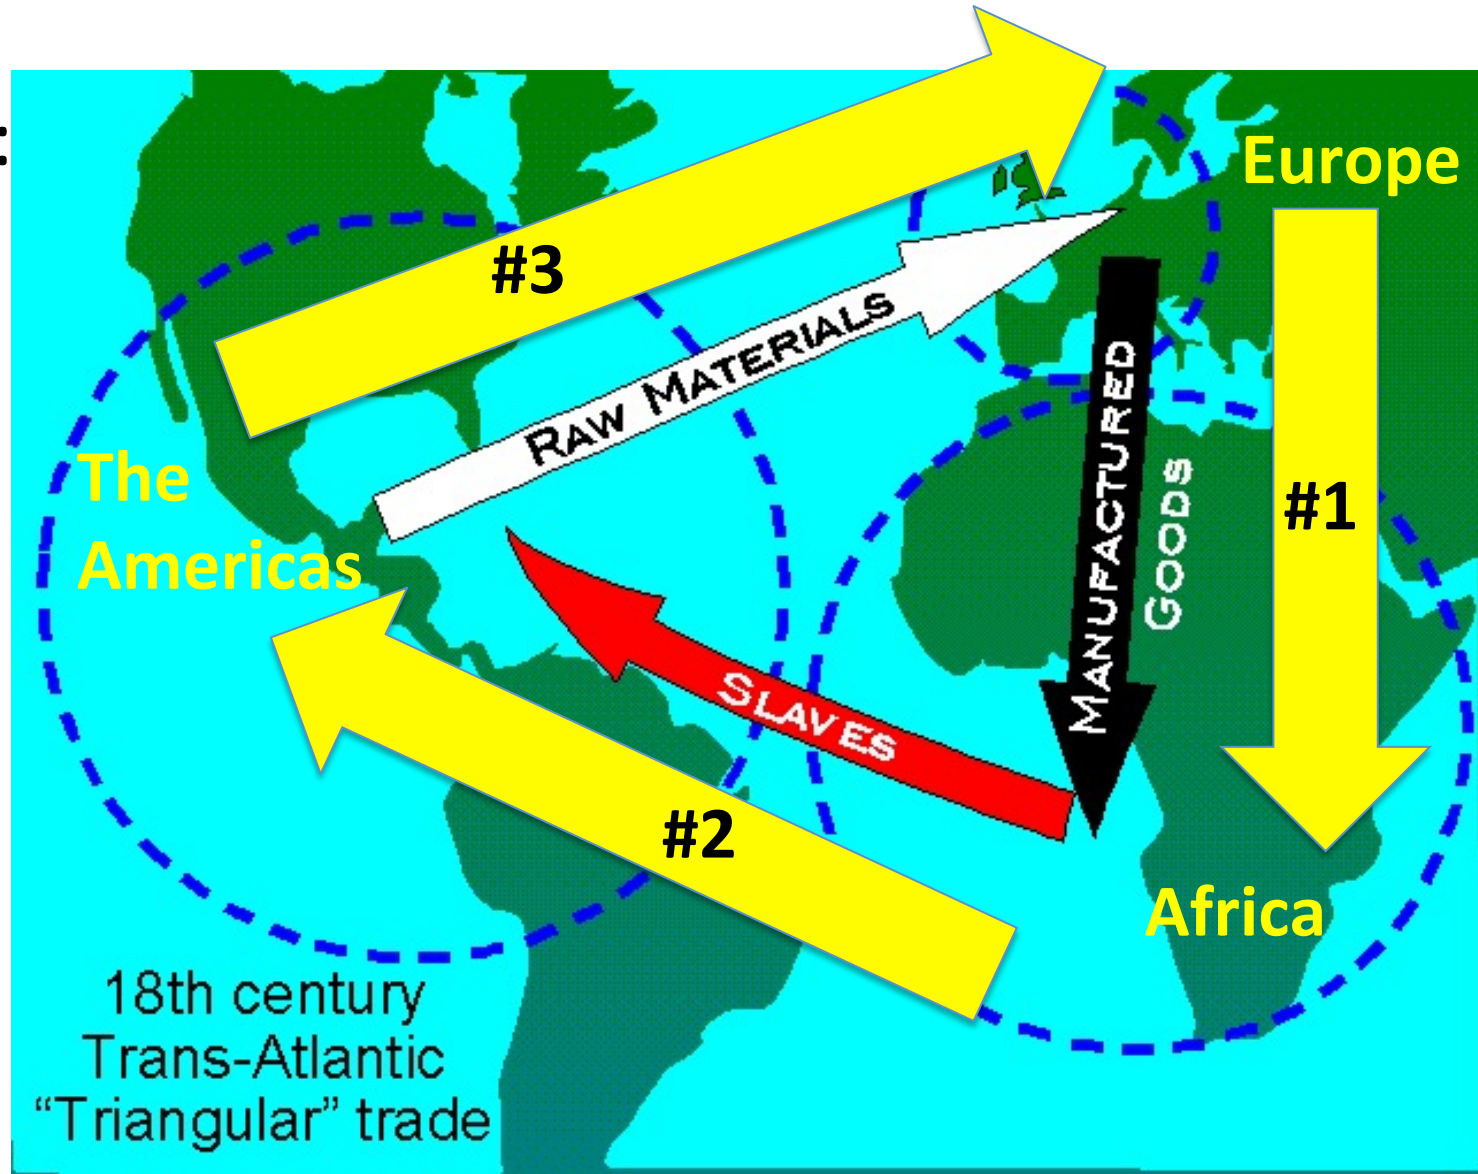

Ch. 15, Sec. 4 & 5

# Triangular Trade

- 3 parts:

The packing  
of slaves in  
a slave ship

# Impacts of Slave Trade

- Many slaves died before getting to the Americas
  - was spread quickly and easily killing many
  - Many to escape the horrors aboard ship and a future as a slave
- Great wealth earned by many
- Growth of in all 3 areas

# Columbian Exchange

- Exchange of items between the Americas and Europe started by Columbus
  - American allowed for populations to grow in Europe, Africa, and Asia
  - ,changed the way Native Americans lived

# New Global Economy

- New economic philosophy:
  - Wealth tied to a country has
- Role of colonies:
  - Provide for manufacturing
  - Buy

# New Global Economy

- Development of capitalism
  - Private ownership of \_\_\_\_\_ for personal profit
- Created \_\_\_\_\_ to generate investments into businesses
  - \_\_\_\_\_ investing into a company
  - Could still make a profit from investments, but minimized
- Spanish gold and silver created rapid inflation
  - Increase in \_\_\_\_\_, decrease in \_\_\_\_\_
