European Exploration and Colonization

Using the map on the back side of this page complete the following 3 tasks. Use the key under the map to identify which color represents each country

Task 1:

Trace and label the routes of exploration of the following explorers discussed in chapters 14 and 15. Draw each route with the color corresponding to the country for which the explorer sailed. You may need to use online resources for some explorers.

- Christopher Columbus
- Ferdinand Magellan
- Francisco Pizarro
- Henry Hudson
- Hernan Cortes
- Jacques Cartier
- John Cabot
- Robert de La Salle
- Vasco de Balboa
- Vasco de Gama

Task 2:

Using a black line, draw the Line of Demarcation/Treaty of Tordesillas separating the Americas between Portugal and Spain.

Task 3:

Shade in the different areas across the globe that were colonized by European countries. Areas involving a chain of islands may circled and/or shaded over the entire area where the islands are located.

This assignment will be due on the day of the Ch. 14 & 15 test.

Name: _____

Hour: _____

European Exploration and Colonization (1400-1800)

☐ England

☐ France

☐ Spain

☐ Portugal

☐ Netherlands/Dutch

Fill in each box with a different color to indicate which exploration routes and colonies on the map belong to each European country.
